MESSAGE

I am pleased to know that 5th September, 2017 is being observed as Spinal Cord Injury Day and that the responsibility of celebrating the day in India is being shared by Spinal Cord Society (SCS), Indian Spinal Injuries Centre (ISIC), Association of Spine Surgeons of India (ASSI), Indian Orthopedic Association (IOA), Indian Association of Physical Medicine and Rehabilitation (IAPMR), Indian Academy of Neurology (IAN), Asian Spinal Cord Network (AsCoN) and The Spinal Foundation (TSF).

The theme 'Yes We Can' is highly commendable as highlighting the 'ability' amongst disability of persons with SCI will empower them as well as raise awareness among general public towards this initiative. Organizing wheel chair rallies and other awareness activities, I am sure will lead to an inclusive society in the country.

I congratulate the organizers and the participants of the event and extend my best wishes for its success.

(C.K. Mishra)
